

**SIETAR 2008**  
Society for Intercultural Education  
Training and Research | Global Network

YOU ARE INVITED  
TO THE

# SIETAR GLOBAL CONGRESS 2008

Please join us for this worldwide event designed for sharing best practices, learning and networking with colleagues from around the world.

**This year's theme**

## "HOW GLOBALIZATION AFFECTS CULTURES & CULTURES SHAPE GLOBALIZATION"

reflects our early 21st century environment and will address key issues faced by:

- All interculturalists and other professionals working in education, corporate training, communication, expatriation.
- Professionals working in human resources, marketing, politics, diplomacy, conflict resolution, international finance.

**Here's your opportunity to participate more fully and share your work!**

**Please visit our site for more details**
